NEO CONCEPTS

EXCEED UNLIMITED

GET READY TO EXCEED YOUR PATIENTS EXPECTATIONS

Clinically proven facial acne scar and facial wrinkle treatment

Patented Precision. Proven Results.

Innovative, patented needle cartridges are engineered for safety, precision, and results you and your patients can trust.

No Cord. No Limits.

Experience total freedom of movement with wireless microneedling — designed to go wherever your expertise takes you.

Intuition, Built In.

The integrated digital screen with smart tutorial puts guided treatment protocols at your fingertips, making every session seamless and confident.

Charge Less. Treat More.

With the longest battery life in its class and a quick-change system, you'll minimize downtime and maximize patient treatments.

Designed to Stand. Built to Perform.

A sleek stand-up base ensures your device stays upright, accessible, and ready to work — no cradles or clutter required.
